## Psychiatric Consultation and Internal Medical Staff

At this time using community mental health centers via a contract with KIFS to pay for services. KIFS will locate a psychiatrist in the community of the foster family and then will facilitate the transition of those services back to the biological community upon reunification KIFS also has in house counseling services for our clients. . All youth will see community medical providers.

## Describe How the Program Supports Family Connections

KIFS staff conduct three interviews with biological family, facilitate phone contact and unsupervised visitation. Foster families are taught how to work toward reunification at all times.

## Special Interventions Available Internally

Extensive Independent Living assessment and then work with the youth on learning many skills for IL.

Description of how the program exceeds licensure ratios

No
