## Psychiatric Consultation and Internal Medical Staff

The program contracts with a physician through UK for medication management and consultation. There is no internal medical staff on site, we do however have a regional Masters Level Nurse who can provide consultation as needed.

## Describe How the Program Supports Family Connections

This program provides the child's family with the opportunity to participate in the child's treatment planning, keeps them updated on their child's progress, facilitates transportation to family visits, facilitate family counseling if needed, foster parents provide mentoring to the child's parents upon request.

## Special Interventions Available Internally

This program provides support services to the child and foster parent through the case managers, treatment director and an in-house therapist.

Description of how the program exceeds licensure ratios

The program does not exceed case management 12:1 ratio.
